

2024 Tuesday Evening Men's 9-Hole League Information

Dear Golfer,

Welcome to the 2024 golf season. The Phillips Park Tuesday Evening Men's 9-Hole League is available to men 21 and older who enjoy having fun on the golf course and enjoy the competition of play. Opening day is scheduled for Tuesday, May 7th and will continue through the season playing every Tuesday with organized play beginning at 3:30pm – 5:30pm (entire month of May we will start at 3pm due to demand and shorter daylight time). The season will conclude with the last scheduled league play on Tuesday, September 24th.

Who can play?

Male golfers 21 years and older of all skill levels are welcome. A Men's 9-hole league handicap will be required for all league players. Golfers with no handicap will need a minimum of four (4) 9-hole scores to establish an official league handicap. The golf course will assist golfers in establishing a golf handicap if they currently do not have one. Golfers are not required to play each week. League will be capped at 80 players.

What are the weekly fees?

The \$10 weekly entry fee covers the prize payout, and each golfer will pay green fee and cart fee if riding.

What format of weekly competition will be played (\$10 entry fee)?

Flighted Competition may include Low Gross, Low Net, Net Stableford, Skins and On Course contests. Other competitions will vary from week to week.

What do golfers win?: All contests will be paid out in pro shop credit.

What time and how are pairings made?

League play will begin at 3:30pm every Tuesday off the #1 tee and run through 5:30pm (month of May will be a 3pm start time). Golfers will be able to make up their own groups or the Starter will pair league players up. Golfers will not have a weekly scheduled tee time. To be eligible for the weekly competitions you must play with at least one member of the Tuesday Evening Men's 9-Hole League. Players must have a handicap to participate. If a player does not have a handicap, they must submit a minimum of four (4) 9-hole rounds before they can participate in the weekly competition. Guests/non-league golfers are not permitted to play along during the scheduled league.

Additional Information:

To better manage the weekly handicap's, we decided to implement a men's 9-hole league handicap. The Staff at Phillips Park will manage all handicaps using Handicomp for the 2024 golf season. Handicaps will be updated weekly through use of this handicap service.
